Randy,

The Rads training will be the week of 8/25, so I'm available anytime during those 2 weeks, and can even stay over and work the weekend, if that's what you'll be doing. Let me know what works best for you.

That would be great! I'll put you to work. We can discuss specifics as the date gets closer, but I suspect that mobilization for the crew / equipment will be 8/11, which is a lot of hurry up and wait. You'll get more bang for your buck if you came out (traveled) 8/12 or 8/13. Of course you are more than welcome to be part of the mobe / set up.

Thanks,

Randy B. Nattis

Hey Randy,

I'm interested in joining you the week of 8/11, if I can provide some assistance and not be a burden.

Linda
